## CONCEPT COLLECTION

### **MYSTIC**

Mysterious, Dramatic & Desirable, with a special touch of ethnic and natural influences.

### **CHIC**

Refers to the most Elegant & Glamorous trends in our new fabrics.

We present:

30 new fabrics in total of 217 references.

&

3 new books :

### **JOURNEY II**

A MUST HAVE !! After the success of Journey I , now we present this fantastic compilation of more than 144 sheers.

### **DREAM CATCHER**

In this book we present an amazing upholstery fabrics combination with one new chenille look ottoman , 2 new velvets with digital prints, jacquard and plain velvets.

### **WANDERLUST**

The master book represents the desire for traveling and the cultural feeling between: the elegance and the eclectic, smoked, *faux finishes*, shades and textured effects creating the noble and sensual designs of the Mystic Chic collection.

The palette is warm in the masala combination colours, very natural and sensual in the cloud and greige colours.

New colours: Marsala, Curry, Ocre, Deep and Baltic blue and the new aqua greige.
